

September 2, 2022

The Gorman City Commission met in a called meeting with the following present Mayor David Perry, Commissioners Luis Ramirez, and Robert Ervin and PWD Joe Williams.

Mayor Perry called the meeting to order at 8:05 a.m.

Commissioner Ervin made the motion to accept the bid of Permian Energy Services for the purchase and install of backup generators. There will be one permanent generator installed that will operate the community center and the city office, and one portable generator to power the lift stations or other emergency equipment. Commissioner Ramirez made a second to the motion. Motion carried

There being no further agenda items to consider, Commissioner Ervin made the motion to adjourn with a second from Commissioner Ramirez. Motion carried.

Mayor David Perry

City Secretary
