

BOIL WATER RESCIND NOTICE

On Thursday October 12, 2023, the Texas commission of Environmental Quality (TCEQ) required 0670003, City of Gorman to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling.

If you have questions, contact City of Gorman @ (254)734-2317.

BOIL WATER NOTICE IS LIFTED. YOU ARE NO LONGER REQUIRED TO BOIL WATER.
